Dear All,

Just to let you know, the money from the sale of Shortlands, 15, Cumber Close, Brixham TQ5 8RP, arrived in my current account, after, noon today. The amount transferred was £117,146.41. This was the amount remaining, after deducting solicitors and estate agent fees, which will be posted on 'willupdate.org' as soon as I receive the letter from the solicitor, with the two separate invoices. The sum of £117,146.41 was duly transferred to 'Savings Pot 2'. Savings Pot 2 is the account that is being used for Mummy's estate and this also holds the remainder from bank and savings accounts.

EDF energy, South West Water and Shires Memorials will be settled in the next couple of days and all remaining monies will be divided between the five beneficiaries.

I will continue to post any information on 'willupdate.org' and I will endeavor to finalize as soon as possible; hopefully, in the next few days.

Kind regards

Linda
